In re Patent No. 6,087,568 :  
Issue Date: 07/11/2000 :  
Application Number: 09/200,587 : ON PETITION  
Filing Date: 11/27/1998 :  
Attorney Docket Number: SEA-1 :

This is a decision on the petition under 37 CFR 1.378(c), filed on August 23, 2012, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is **GRANTED**.

This patent expired on July 11, 2012, for failure to timely pay the third maintenance fee. Since this petition was submitted within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), the petition was timely filed under the provisions of 37 CFR 1.378(c).

The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

The statement of unintentional delay was not signed by a person who would have been in a position of knowing that the delay in paying the maintenance fee was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was in fact unintentional, petitioner should make a reasonable inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

The address in the petition is different than the correspondence address. A courtesy copy of this decision is being mailed to the address in the petition. All future correspondence, however, will be mailed solely to the address of record. A change of correspondence address should be filed if the correspondence

address needs to be updated. If petitioner desires to receive future correspondence regarding any Maintenance Fee Reminder which may be mailed concerning this patent, a Fee Address should be submitted to Maintenance Fee Division.

Telephone inquiries related to this decision should be directed to the undersigned at (571) 272-3231.
